Class Two's African Art

In Art this half term, Class 2 have been studying the work of artist Clare Young. They were learning printing techniques and printed their own paper, to use in collage inspired by Clare's work and animals and fabric prints from Kenya. They drew repeating patterns, patterns inspired by animals of the savannah and jungles of Africa, and created their own stampers for printing.

Goodbye to Our Wonderful Year Six

The time has arrived again to say a fond farewell to another Year Six class. They have worked really hard throughout their time in school, but especially this year. We are all really proud of them. They have a great attitude to learning and have fully embraced all of the challenges that have come their way. This final term has seen them conquer the SATS and confidently perform their Leaver's Play. Well Done Year Six and Good Luck from Archbishop Hutton's.

School Games Gold

It is pleasing to report that we have been awarded the School Games Gold award for the second year running. One more year and we will be a platinum school.
