

## Meet Our SUPERSTARS

Learner of the week:

Working on my listening skills in lessons

<b>CLASS 1</b>	<b>CLASS 2</b>
<p><b>Writer:</b> James Kirkham  <b>Maths:</b> Alfie Robinson  <b>Learner:</b> Poppy Betteridge</p>	<p><b>Writing:</b> Bobby Bolton  <b>Maths:</b> Lily Parnell  <b>Learner:</b> Rory Robinson</p>
<b>CLASS 3</b>	<b>CLASS 4</b>
<p><b>Writing:</b> Harper Singleton  <b>Maths:</b> Amelie Fairclough  <b>Learner:</b> Oscar Hizzard</p>	<p><b>Writing:</b> Duncan Stallard  <b>Maths:</b> Percy Langman  <b>Learner:</b> Olivia Andrew</p>

### Carnforth Dodgeball Competition

Year 5 and 6 boys took part in a dodgeball competition on Tuesday at Carnforth High School. The boys did really well and came second - winning silver medals.

### Art Prize Winner

Before Christmas many of the children decorated baubles and stars for a Christmas art competition. The winner was chosen and this week Connie received her certificate and family ticket to The Big Family Day Out.

**Next Friday we will have a non-uniform day** to end the half term. In return for wearing their own clothes, children should bring an item for us to donate to the **Morecambe Food Bank**

# Important Dates

### February

- Monday 5:** Class 4 @ Young Voices - AO Arena  
Class 3 first swimming session
- Tuesday 6:** Cross Country competition - KS2
- Friday 9:** Non Uniform Day (foodbank collection)  
Roman Day - Class 3 + Half Term begins

### March

- Thursday 7:** World Book Day
- Friday 8:** Science Day - Parents Session (PM)
- Friday 15:** Comic Relief - Backward Clothes Day
- Monday 25:** Most Improved Assembly (9 AM)
- Tuesday 26:** Parent's Evening
- Wednesday 27:** Borwick Hall Day - KS1  
Easter Bingo @ 6PM
- Thursday 28:** Borwick Hall Day - KS2 - Term Ends

## Team Points this Week

**Senset : 758**  
**Hutton : 849**  
**Washington : 840**  
**Crag: 838**

### Class 1 Visit St Oswalds

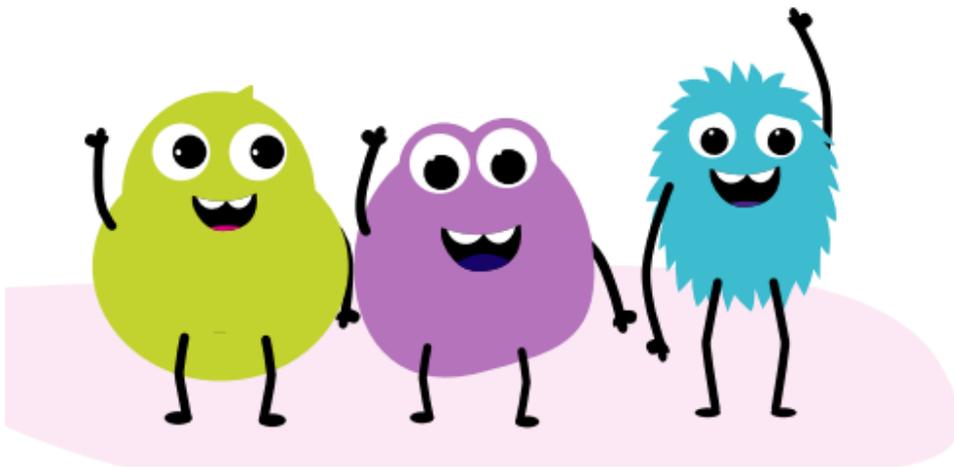

Class One had a fun afternoon out at St Oswald's Church on Tuesday, as part of their RE work. They found all of the items on their i-spy sheets and were able to ask Reverend Alice lots of questions.

### Swimming Gala Trophy

You may remember that we won the local schools swimming gala two weeks ago. This week, at the dodgeball comp we were presented with this nice, shiny trophy. It will take pride of place in the corridor (with our others!)

## March 4th - 8th will be **Science Week** in school

Here are some things that we will be doing and how the children can take part. We always have great fun during Science Week and learn lots too.

### Home Learning Activities

Before the week we have a great challenge to have a go at. Children should complete this and bring it in on **Science Day (Friday 8th)**

#### Design a Science Box.

We did this two years ago. Create something scientific inside a cardboard box. It could be:

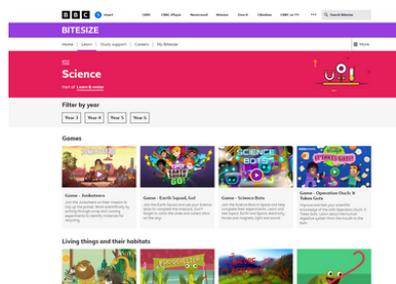

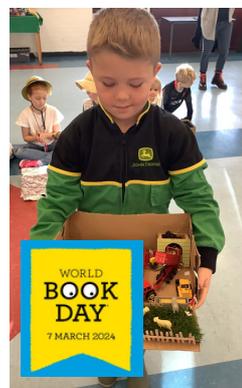

- A solar system
- A habitat (under the sea, farm, woods etc)
- A science event (Moon landing, Mary Anning finding fossils, Wright Brothers flight, the first TV signal etc)
- An explanation of science (how rainbow is made, water cycle, colours, digestion etc)

The box will be shared with everyone in school. Here are some ideas from two years ago.

During the week, there will be lots of Science and STEM activities happening in class. **Parents are invited to school at 1:15 on Friday 8th** to take part in some investigations and visit our Science Box exhibition.

**Thursday 7th March** is also World Book Day. Children can come dressed as a book character as usual, but if they come in a science themed costume they will be given a raffle ticket with the chance to win a prize. They can also bring a science themed book to share.

BBC Bitesize has lots of Science themed games and short videos to watch and give you ideas. <https://www.bbc.co.uk/bitesize/subjects>

Science Sparks website has lots of fun Science experiments. Why not have a go over 1/2 term? <https://www.science-sparks.com>
