## ARTIST WORKSHOP

This week it was Class Two's turn to work with our visiting artist. Look at these great bird drawings.

## CROSS COUNTRY COMPETITION

We have been celebrating a great win in the local KS2 Cross Country competition this week. Running against pupils from Caton St Pauls, Nether Kellet and Our Lady of Lourdes, everyone gave their all to get as many points as possible across the afternoon.

As you can see below, we had seven medal winners, all of who were delighted to receive their awards. The effort made by every runner meant that we won the competition and were able to keep the trophy we won last year. Well done everyone who took part, you were all great role models.

## EASTER BINGO FUNDRAISING EVENT

The PTA Easter Bingo is coming up on Wednesday 30th March. This event is always hugely popular and gives you the chance to win lots of chocolate.

Mrs Robinson has the tickets for sale in the office. If you are thinking of coming, get a move on as tickets are disappearing fast.

## KEEPING US SAFE - COVID19

**As you know, we have had quite a few children off with Covid 19 before half term.**

**The government's current advice is: Until 1st April, we will still advise people who test positive to stay at home.**

**Here is our current guidance:**

- Parents of children who are classed as medically vulnerable or who live in a household with an immunosuppressed adult are encouraged to contact their GP to discuss/arrange vaccination.
- If your child has Covid symptoms, however mild, keep them home and inform school; LFT (Lateral Flow) test. If positive they should self isolate.
- Keep school informed if your child tests positive on a LFD or PCR test
- If your child is a close contact with a positive Covid case we will let you know so you can monitor symptoms and test for Covid.

**Thank you for your part in keeping everyone safe.**
