Six weeks of remote learning and we continue to be amazed at all of the great work you're all doing. This week, Bubble 2 have been busy making Stone Age buildings. Bubble 3 have been reading and studying the classic poem The Highwayman. They have also been outside studying and drawing their surroundings. Bubble One, have been keen PE stars, working on their balancing and have retold some fairy tales.

Keep it up everyone. Have a great half term rest and check out this week's Friday assembly on the Collective Worship page for the best bits of the week.

Our PE page on the Pupil Area is proving to be a popular way for you to record news of all the walks and other fun and healthy activities you have been taking part in. It's important to make

sure you get some exercise and break up the boredom of these long lockdown days. We have really enjoyed all of your photos—so don't forget to add some more this half term.

**Great  
work  
Keep  
it UP**

Marcel and his family ventured out on a long walk along the canal. They got lots of fresh air and even saw lots of ducks. Scarlet Gora has been up the Crag in the mud and shared a great photo of herself, splashing in the mud with her brother. John and his brother have been flying their kite in all of the wild windy weather we had

over the weekend. All the teachers have been joining in too and you'll be pleased to know that Mr Pugh managed two walks (without falling over once) last weekend.

## Dog Poo Update

(there's a headline I never ever thought I'd be writing on a school newsletter)

I wrote last week about how we are becoming very concerned about the large amount of dog poo that is being deposited and left outside the gate for Bubble 2, at the top of the lane.

New signs have been put up and the matter has been reported. Since the signs went up, I am pleased to report that there has been little or no mess left outside the gate. We will continue to monitor the situation and report any further mess to the dog warden.

I'm sure that you will agree that the children and staff - and members of the local community - should not have to step over piles of discarded bags and ignored mess in order to get into school safely and cleanly.

Thanks for your help with this and hopefully, if we all keep an eye out, we should be able to keep the matter under control.

## Collective Worship

It's been great to hear from some of our parents and pupils at home who are enjoying spending time with us during our twice weekly Collective Worship assemblies.

On Monday and Friday mornings, Mr Pugh posts an assembly video for you to watch on the school website. On a Monday there is a favourite assembly song, a story, a video and a prayer. On Friday we celebrate the Best Bits of our week, announce our Super Learners and get ready for the well earned weekend rest.

To join in, just click the blue banner button on the website homepage that says Collective Worship. All the videos are there.

Next half term, the theme of our Worship time will be forgiveness.

# Carnforth Community Swimming Pool

As you will probably know, we use the Carnforth Community Pool for our weekly swimming lessons in KS2. It is also where many of our families take part in fun swimming sessions. They asked if we could share some of their fundraising activities with you.

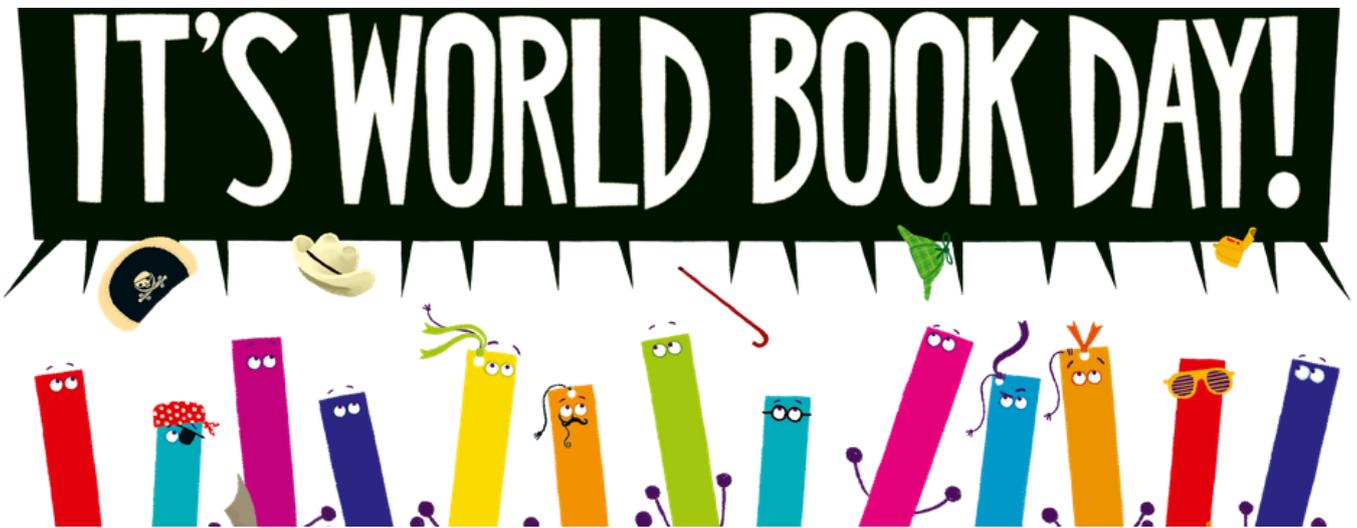

CCSP is a Charity pool and like most charities relies on fundraising to keep it going for all to enjoy. They currently have a **Football Card** on their Facebook Page with the chance of 1 lucky person **winning £100!** For more information or enter please check out the Facebook page [@CarnforthCommunitySwimmingPool](#)

Friends of the Pool are also selling **Luxury Afternoon Tea Boxes** to raise money for the pool and **St John's Hospice**. This will be over the weekend of 20th & 21st February. If you would like to order, please contact the pool's Assistant Manager, **Becky** on 07858472299 or email [beckykerry@sky.com](mailto:beckykerry@sky.com). Alternatively, you can send a message to the pool Facebook page.

## Swimathon

If all is well, the **17th and 18th April** will see the **Carnforth Rotary Swimathon**, take place at the pool. This event is organised by Carnforth Rotary. You can take part as an individual or as a team of four. Everyone will get 55 minutes in the pool to swim as far as they can. All the money that you or your team raise will be split equally between Carnforth Community Swimming Pool and a charity of your choice. This event is for everyone, all abilities and ages can take part. **Registration opens on February 15th** and registration and sponsorship forms are available from Rotary members, pool reception, or by *email office@carnforthpool.org*. Every penny helps towards keeping Carnforth Community Swimming pool open and successful, so why not sign up, go along and have a go.

**Our £1 books line-up for 2021**

## Thursday the 4th March is World Book Day

We will be celebrating as usual with some fun activities across the week and our usual dress up like a book character event.

On the day, each class will be taking part in some shared book themed activities and there will be Zoom meetings for those of you at home to join in too. We'd love it if you dressed up - even if you are sat in your kitchen or bedroom.

Every child will receive the usual £1 book token which can be used to buy one of the books. If you are not in school we will make sure you get your token as soon as possible.
