Progression of Knowledge and Skills through Games Year 1 and 2

	Year 1			Year 2		
Aim of Games In all games activities, children think about how to use skills, strategies and tactics to outwit	Children develop basic game-playing skills, in particular the FMS of throwing and catching. They play games based on net games and striking and fielding games. They have an opportunity to play one against one, one against two, and one against three.			Children will improve and apply their basic FMS in games. They play games that demand simple choices and decisions on how to use spaceto avoid opponents, keep the ball and score points. They will continue to practice and refine their FMS and techniques, using them to outwit others. They will also develop an early understanding of simple concepts of attack.		
the opposition.

Character Education	beanbags to a choice of two targets. Working in pairs, the children set up an area for their game. The pupils stand on either side of the line, one as an attacker and the other as a defender. Knowledge - To use a simple tactic i.e. Pretend to throw one way then throw the other	over your opponent's line. Alternatively you can throw a ball over the line for the opposition to catch. The game is played one against one, or two against two. Knowledge - To use a simple tactic i.e. Look one way and roll the ballthe other	possible by throwing beanbags into a channel and then counting how manytimes they can move in and out of a hoop before fielders retrieve the beanbags. Knowledge - To use a simple tactic i.e. Throw away from the cones (fielders)	points as possible by throwing and catching a ball between players on their team. The pupils work in groups of four, with three attackers and one defender. Knowledge - To use a simple tactic i.e. move into space to receive a ball. To pass a ball to a player in space.	it bounces twice, with the first bounce in the court area. Play the game two against two - each pair should have one player with a racket and one without. Knowledge - To throw the ball into space away from the opponent	possible around a circuitof bases before the fielding team returns the ball to the fielding base Knowledge - To use a simple tactic i.e. Strike the ball away from cones/fielders
