

PE Progression through Lancashire PE SOW: Outdoor and Adventurous Activities - Years 3, 4, 5 and 6

	Year 3	Year 4	Year 5	Year 6
<p>Aim of Outdoor and Adventurous Activities</p> <p>In outdoor and adventurous activities as a whole, children follow maps and trails, try to solve physical problems and challenges, and learn how to work safely in a range of situations.</p>	Children take part in simple trust and orientation activities using maps and diagrams. Working on their own and in small groups, children will learn to use simple maps and follow simple trails.	Children will be set physical challenges and problems to solve. They will take part in a range of communication activities to develop problem solving skills in some adventure games. The problem-solving tasks they tackle will require more teamwork, with clearly defined roles and responsibilities.	Children develop their orienteering and problem-solving skills in familiar and unfamiliar situations and environments. Throughout, there is an emphasis on building trust and working as a team.	Children will take part in more complex orienteering events. They will learn to read maps more accurately, and to adapt their skills to meet challenges set in new environments. They will research and undertake a journey safely, and will develop the skills and understanding to become more self-reliant. They will take on more demanding leadership roles and will learn to take the initiative more often.
