<p><b>CLASS 3</b></p> <p><b>Writing:</b> Shane Bradley <b>Maths:</b> Paolo Aziz <b>Learner:</b> Emma Richards</p>	<p><b>CLASS 4</b></p> <p><b>Writing:</b> John Aziz <b>Maths:</b> Mason Milner <b>Learner:</b> Isaac Parnell</p>

## Team Points this Week

- Senset : 970**
- Hutton : 950**
- Washington : 1003**
- Crag : 948**

## Year Two Road Safety Stars

Year Two have been hard at work this week completing their Road Safety awards. They have been walking around the village, looking out for dangers and doing their best to demonstrate what they have learnt. They have all been excellent and have all shown good knowledge.

## Sports Day Invite

The weather looks good next week so we will be going ahead with our annual School Sports Day. On Monday the children will take part in a series of eight jumping and throwing based events. **On Thursday, you are invited to join us at 9:45am on the field for the races part of Sports Day.** Both events will be outside, so children will need hats, sun cream and water bottles. We hope to see you then.

## Working Hard on Assessments

Everyone has been hard at work this week, completing some end of school year assessments. End of Year Reports will be sent out on the last week of term. We have used a more simplified format this year which we believe give a true reflection of everything the children have achieved.

## Class One and Two History

Class One have been learning all about different types of transport. They have learnt about how buses have changed over time and worked together to make timelines. Class Two have been studying the Apollo 11 moon landing. They have been reading, making timelines and developing their story telling skills.
