TALENT BANK

We really appreciate all those parents/carers/other family members who volunteer their time regularly in school, come in to help with specific projects and join children during trips. This academic year, we are keen to develop this further and find out which skills and talents adults have that can be shared with and enhance our children's learning. Do you have a musical or artistic skill? Are you a brilliant sewer or cook? Do you speak a foreign language fluently? Would you be prepared to talk to children about your job and what it involves? Have you always lived in Warton? Are you an active member of a local group or organisation that has skills to share? Please fill in our TALENT BANK and let us know!
