Class 4 Museum

Thank you to Mr. Pugh and Class 4 for setting up their fantastic museum and sharing it with parents, grandparents and children from other classes on Wednesday. Their Museum included artefacts relating to World War 2 such as photographs, medals and letters. The children shared some of their own writing and their World War 2 knowledge. Two of Year 6's grandparents mentioned how impressed they were with the children's historical knowledge and understanding about a range of subjects such as evacuation and rationing. The children's home learning about the solar system was also displayed in the Museum – everyone was very impressed with all the different creative ways the children had used to represent the solar system. These included posters, 3-D models, a video presentation and a cake. For parents who were unable to visit on Friday, you can see more on Class 4's website blog.
