- creating or improving forest school facilities on or near school premises for each school in the AONB and at Ryelands and Morecambe Bay Primary
- running a free family outdoor after school club at Ryelands and Morecambe Bay
- training older local people to run events for children and families to share their knowledge and skills

Voting is easy - you just need to register to take part (you don't have to be an Aviva customer):

## Cross Country event at North Road Primary School

Mr Pugh and a group of Class 4 children attended this afternoon's Cross Country event at North Road Primary School in Carnforth. We have great hopes following our successes at last year's Cross Country event. This is the second School Sports Partnership event of this academic year. Check the website for updates about both this and last week's Athletics Event.

## New website log in

Thank you to all those parents who have already sent us their email addresses. If you have not done so, please can you text Mrs Robinson your email address. When she has the majority of parents' email addresses, Mrs Robinson will add them to the school database. This will link to the School Spider communication platform that will automatically send a log in email to you. This will be a priority to set up next week.

## New admissions for September 2019

Do you have a child starting **primary school in September 2019** and live in Lancashire?

Apply for their school place online at [www.lancashire.gov.uk/schools](http://www.lancashire.gov.uk/schools) or call 01524 581148.

The closing date for **primary applications** (for pre-school children due to start Reception next September) is **15<sup>th</sup> January 2019**.

## End of school day collection arrangements for Class 2 and Class 3

As part of our safeguarding arrangements, we have introduced new collection arrangements for Class 2 and Class 3 following concerns about children and parents being unable to find each other in the crowd at the school gate. We are now asking parents to collect their child from the class teacher on the playground area at the front of the school. Doing it this way ensures the teacher knows that the child has definitely been handed over to the adult responsible for collecting them.
