### Competition winner!

Congratulations to Jessica McLeavy for winning second place in Hackney and Leigh's Gingerbread House Competition for the Carnforth area! The judges were very impressed with Jessica's gingerbread house. They admired the gorgeous detail and recognised the time and effort Jessica had spent with her creation. Jessica's gingerbread house will be on display in Hackney and Leigh's Carnforth office. The competition was a huge success and next year Hackney and Leigh hope to roll it out to all of Key Stage 2.

### Keeping Fit and Healthy

Mr. Harris has been working with all classes to build their speed and stamina working through a circuit of fitness activities. Children now know how to check their pulse rate before and after exercise. Class 3's swimmers enjoyed a mixed session of synchronised swimming, aquarobics and water polo on Monday. Class 1 have been exploring what happens when you touch food with dirty hands, Class 2 have been learning about healthy eating habits, Class 3 are making healthy meals and Class 4 have been collecting data about your pulse and heart rates before and after exercise! Meanwhile, the running track is proving popular at playtimes and lunchtimes when everyone is keeping moving to stay warm!

### The Big I.T. Drive

School Council want to keep everyone informed about The Big I.T. Drive so have created a funding thermometer so you can see how much money has already been raised. This is displayed in the school entrance hall.

### RSPB Consultation Event

Warton Mires Partnership invites you to an open consultation event at Warton Village Hall on Wednesday 12<sup>th</sup> December from 6.30-8.45p.m. Come and get an update on the activities of the Partnership. Find out how the community of Warton will benefit from this exciting project to protect the land at Warton Mires for both wildlife and people. All welcome! No need to book.
