Congratulations to this week's Orange Rainbow award winner: Steven Rawcliffe.

Collecting Coppers for The BIG I.T. Drive

School Council have provided each class with a giant coin collecting container. When children have filled up their own container at home, they can bring it in to school to fill their class container, then take their container home to re-fill! So let's get collecting!

Are you interested in becoming a Parent Governor?

We are looking for TWO new Parent Governors. Are you interested in becoming a governor and shaping the future of our school? Today you have received information about the role of Parent Governors and nomination forms for interested parents. Do you want to know more about what the role of Parent Governor involves? Then have a chat with our existing Parent Governors – Fiona Shanks, Della Langman, Tim Stallard or Rohan Slaughter.

Library Update

We are spending part of our Tesco Community Grant on improving our library. So far the Library has been re-decorated, we have bought a computerised library management system, sorted out the existing books, ordered some new shelving and display items along with lots of exciting non-fiction books. Next Friday afternoon after Celebration Assembly, we will be holding a table top sale to re-home old library books. All money raised will be used to buy new library books. We are now looking for a team of volunteers to scan all the books on to the computerised system, label new books and organise them on the shelves. Can you help with this big job? If so, let Mrs Robinson know.

The BIG I.T. Drive Update

Our up-to-date grand total of money raised for the BIG I.T. Drive is £5,726. This is a wonderful achievement. Many thanks to all those involved in raising and donating money! The Computer Room has also been re-decorated. Now we are going to focus on spending £5,000 to buy these new computers to benefit all our children.

Check this academic year's calendar on our new website
