Year 1 Multi-skills Event

Last Friday afternoon Year 1 took part in the School Sports Partnership Multi-skills event at Carnforth High School. They had a fantastic time and enjoyed a range of activities including javelin throwing, penalty shoot out, hitting a ball against a wall with a bat and balancing a quoit with two small balls in side it on their heads. Mr. McGurk was so impressed with their behaviour, determination and effort that he described Year 1 as 'exemplary'! Well done to everyone in Year 1!

Collecting Coppers for The BIG I.T. Drive

Let's see how much we can raise by just collecting all those 1ps and 2ps so remember to keep collecting your coppers!

New library books

We have just received delivery of lots of amazing new non-fiction books for our library. We are really looking forward to getting them ready for children to borrow and read! We are searching for a team of volunteers to scan all the library books on to the computerised system, label new books and organise them on the shelves. Then we can re-open the library and re-engage children with using this amazing resource. Can you help with this big job? Let Mrs Robinson know when you are available and how long for – we would really appreciate your help!

Open Museum Afternoon

Parents, carers and family members are invited to our first ever Open Museum afternoon on Friday 15th February from 1.10p.m. to 2.30p.m. All four classes will be involved in our Open Museum afternoon. This an opportunity for you to drop in to your child's classroom to find out what your child has learnt as a History Detective this half-term! Your child wants to show you their cross-curricular book, their classroom displays and some of the activities they have experienced that are inspiring them to be interested in history. So pop in and join us then stay for Celebration Assembly!

SCHOOL MISSION STATEMENT

“This school welcomes all, whatever your background, so that you can achieve your God-given potential”

Dear Parents/Carers,

Re: the barn adjacent to Archbishop Hutton's Primary School

We would like to provide you with an update on the current situation regarding the semi derelict barn close to the school.

As you will have seen following the slippage of tiles from the roof in September, boarding has been put around the eaves of the barn to ensure that no further slippage can occur. The barn was further evaluated by a surveyor in November after a section of the roof collapsed in a storm. As the barn was found to be in an unsafe state, the area has been cordoned off.

There is uncertainty as to the ownership and responsibility for the maintenance of the barn. At present the Local Authority, school, Archbishop Hutton Trust and the diocese are in discussion. In addition, conveyancing documentation and other legal papers associated with the barn are being scrutinised by the solicitor supporting the school. It is hoped that in the near future we will be able to establish:

- Ownership of the barn and the land on which it stands
- Where responsibility lies regarding the maintenance of and financial responsibility for the barn

It must be stressed that these two elements may not necessarily be the same organisation.

As soon as we have clarity we will provide you with further information. In the meantime, we will continue to make every effort to ensure that there is no risk to members of the school community, the local community and passers-by.

Yours faithfully,

Mary Jackson (Chair of Governors)
