SCHOOL MISSION STATEMENT

"This school welcomes all, whatever your background, so that you can achieve your God-given potential"

12th June 2019

Dear Parents/Carers,

Sports Day Tuesday 18th June 2019

Mr Harris and I have planned a two part Sports Day again this year, including teams of children completing a round robin of eight activities in the morning, followed by traditional races in the afternoon.

In the morning, Sports Day will **start at 10.15am**. Children will be working in teams to complete a series of eight activities in a round robin. Children will earn team points during each activity; children will complete two activities then have a break with their water bottles. This will be repeated three times until all eight activities have been completed; we anticipate that the morning session will be finished by 11.45am when children will go back to class.

In the afternoon, the second part of the Sports Day will **start at 1.30pm**. This will consist of a series of more traditional competitive races on the track.

Parents are welcome to attend either or both parts of the day. **Please access the school field by going past the School Office window and turning left towards the school field** rather than through the main entrance. The PTA will be selling refreshments to parents during both parts of the day so remember your money!

All PE kits will be sent home on Tuesday as they are likely to need a good wash! Please can these be returned to school on Thursday.

If we are unable to go ahead next Tuesday due to weather conditions, we will let you know by text as soon as possible and we will try again on Tuesday 2nd July!

In order to prepare your children as well as possible for Sports Day, it is essential that:

They have their **PE kit with appropriate outdoor footwear in school**;
They have sun cream put on before school if the weather is warm and sunny;
They wear a sun hat if necessary— any sun hat of any colour or description will do!

Thank you for your continued support.

Yours faithfully,

Mrs F Gavruluk
Sports Co-ordinator
