Class 4 return from Robinwood!

Most of Class 4 spent the second half of last week at Robinwood – they returned on Friday afternoon tired yet full of tales about their experiences! Was the leaping on to the Trapeze scarier than the Giant Swing? Did they get wetter when Raft Building or Canoeing? Which problem solving activity was harder swimming across the Piranha Pool or finding their way out of the Dungeon rooms? Was it darker Caving or on the Nightline?

Check Class 4's website page to admire photos of the children's experience. Mr Pugh reported that the children were fantastic (if a bit noisy and over excited at times!), the weather was brilliant and a great time was had by all! Many thanks to Mr Pugh, Mrs Stocks and Mrs Spencer for accompanying this group and to all those staff involved in the organisation and preparation for this residential visit.

The new School Council will be holding their first meeting next week.

Year 6 Bikeability

On Wednesday and Thursday, Year 6 took part in Bikeability Level 2 cycle training. This training develops skills for cycling on single-lane roads with simple junctions and moderate traffic. It includes the core functions for safe and responsible cycling. Well done to all those Year 6 children who achieved their Level 2 certificate. The Bikeability instructors were impressed by the children's listening skills and focus.

Great news! Mrs. Gavruluk has just booked Bikeability Level 3 cycle training for Year 6 as well as Bikeability Level 2 cycle training for Year 5 - these two courses will both take place in June. Next month children in Reception will be learning to ride a bike.

Uniform Update

- You should now be able to order uniform online with the option to have it delivered free of charge to school during term time.
- Our uniform will be available to buy in the Morecambe Uniform & Leisurewear shop from October.
- Some of you were concerned when ordering online about giving your card details as it was an 'unsecure site'. We have questioned this & will update you ASAP.
