Welcome Back to School

The time has come again to say welcome back to another new year at school. We are all excited about all of the new things we have lined up for the year ahead and we look forward to welcoming the children back. It is also exciting to meet the new children who are joining us in Class One this year. This newsletter will tell you about some of the events coming up in the next few weeks.

We are now on instagram where we will share news of upcoming events and photos of achievements we want to celebrate. If you do not wish your child to feature in photographs on instagram, please contact the office to let Mrs Robinson know. Can you please follow us and share any upcoming events that we advertise.

Instagram

On Friday 26th September we will be having a coffee morning in school in aid of MacMillan. We would love if you could come along and support the event, buy some cake and take part in a fun quiz. A message will go out in a week or so to ask for cake donations which would be greatly appreciated too.

At the end of last term we were awarded the Superkind Social Impact Award in recognition of all the children's work to make the world a better place. Charity work, donations, helping out and thinking of ways to look after the planet all count. We will continue this this year.

We also achieved the Gold standard for our provision of PE across the school. This is the 4th year in a row we have achieved this.

This Saturday, 6th of September, Warton Eco Gang are having a Big Green Lunch on the school field. If you would like to attend, you need to bring a picnic and a chair. It should be great fun. If you have any questions about the event, contact wartonecogang@gmail.com
