## Bubbles and zoom chats

From next Monday, we will have three bubbles in school with 35 children coming to school, some full-time and others part-time. Today all parents of children in Bubble 1, Bubble 2 and Bubble 3 received an email with information about arrangements for next week. This includes drop off and collection points.

Next week all children currently learning at home are invited to take part in weekly zoom chats with a group of children in their class managed by school staff. All parents of these children received an email today with further information and a letter. In order for children to take part in the zoom chats, parents must give their consent and supervise their child during the chat. Please return your child's signed consent form before 9.00am on Monday 22<sup>nd</sup> June as the first chats are on Monday afternoon. The timetable for zoom chats contains the link and password for each group chat. Parents can find this information on a new page called 'Home School Zoom Chats' in class pages on the school website.

## Goodbye Barn!

On Monday the delapidated barn on Back Lane was demolished. Plans for developing the space will be developed in consultation with residents next term. Many thanks to Mike Darwell (Parent Governor) for organising this work; to Mike Clapp and his team for completing the demolition and clearing the site; to the Back Lane residents for their cooperation and support.

### Listen to our first podcast!

Mr. Pugh has involved children and staff in creating our very first Archbishop Hutton's podcast. You can find this on the latest blog. Have a listen and enjoy!

### Track resurfacing

The track on the school field will be resurfaced during the next couple of weeks. This means that it will be ready for full use in September.

### Updated Behaviour Policy

From Monday 22<sup>nd</sup> June, children both at home and at school can earn a Learner of the Week certificate on Friday. Children working at home need to upload their best piece of home learning and save it in their class' Pupil Area before Friday.

Each teacher will choose one Learner of the Week on Friday morning. All Learners of the Week, whether at school or home, will then be sent a Learner of the Week certificate. Make this a difficult choice for your teacher by saving your work in your class' Pupil Area! Parents can find the updated Behaviour Policy on the latest school blog.

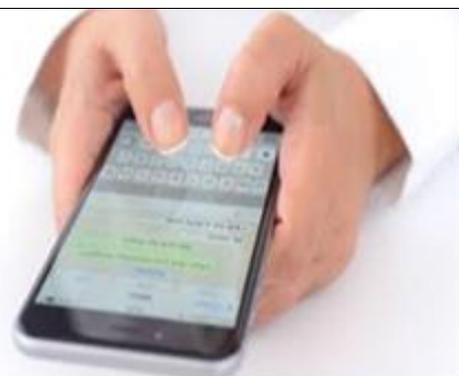

### Keeping in touch

Keeping in touch throughout the next few weeks is going to be more important than ever.

All contact is now via email and alerts on the School Spider app.

The weekly newsletter is published on Fridays. Regular blogs provide additional information and updates when necessary. You will receive alerts when these are available.

Emails will be checked daily during the week. Next week the school office will be manned on **Monday and Wednesday.**

## UNIFORM REMINDER FOR SEPTEMBER

From September 2020, school uniform will only include sweatshirts and P.E. tops with the tree logo.

These can be bought directly or online from **The Uniform & Leisurewear Company** along with book bags and P.E. bags.

Uniform can be purchased at The Uniform & Leisurewear Company shops in Lancaster or Morecambe – these are now open - and online. Orders placed online can be delivered to school free of charge for you to collect.

### Applying for free school meals

**Have you recently become eligible for universal credit due to changing employment circumstances?**

**This may mean that your child/children are also eligible for free school meals. When you apply for universal credit at [www.gov.uk/universal-credit](http://www.gov.uk/universal-credit) remember to check whether this includes eligibility for free school meals.**

**If your children are entitled to free school meals, let us know by email or phone. The government have just introduced a system of free school meal vouchers for parents to spend in supermarkets while schools are closed.**

**As soon as we know your children are eligible, we can organise these vouchers.**
