## ***SUPER HERO*** **SUPER RUN**

The Super Hero Super Run was a great success on Tuesday 6<sup>th</sup> October. Despite lasting grey clouds and several showers the super heroes showed true stamina and courage to complete their mighty feat. Well done to every child who took part – especially those who dressed up too. If all the money promised is collected in we should be on track to make a lot of money for the next stage of the Big IT Drive.

Thanks too go to the parents and carers who sorted out the costumes, arranged sponsorship and ensured the children and the day were indeed Super!

## Home Learning

**Reading Books:** This week, reading books have been coming home. It all seems to be going well so far. There are some rules to keep us Covid19 safe. When your child has finished the book they can bring it back in to school to be changed. It will be put into a quarantine box and will remain there for 48 hours before it goes back into the library.

Please be patient and aware that books may not be changed more than twice a week to allow staff to work their way through the process. Reading in school continues as usual. If you don't have a school book to read at home – do some tables, spellings or read a favourite book from home.

**Spelling** progress tests have been taking place this week. Thanks for your help – we hope you are not being driven spelling mad.

Two weeks left on **Mr Pugh's Healthy Challenge** All the details are on your class page on the website. Each task is worth 20 TP. Work can be brought into class on Thursday 22<sup>nd</sup> October for our end of term Show and Tell.

**Maths Home Learning:** Remember to check the Pupil Area for your Maths home learning. You can mark last week's maths task before you try this week's work. You can let the teacher know if there are any problems with the level of the task. **DO NOT BRING THIS IN TO SCHOOL - PLEASE MARK YOUR WORK AT HOME.**

- **Some deadline reminders:**

You should have ordered your **Cauliflower Cards** by now and returned the form to school. If you haven't yet then Monday is the absolute deadline for this.

Please return **sponsor** forms and money on Monday.

You should now have received your **school photo** proof. Please order online or return your order to school no later than Monday 19<sup>th</sup> October.

- **Coronavirus:** Here is our weekly reminder of the guidance about Covid19 and the symptoms. When should you keep your child home and seek a test? The advice given on the Department for Education website is this:

**What symptoms should schools be looking out for? How can schools tell if a pupil has just a cold, or whether it might be coronavirus?**

The Department for Education has worked closely with Public Health England (PHE) and NHS Test and Trace to ensure that we are doing all we can to minimise the potential risks of spread. A key part of this is recognising the correct symptoms.

We ask that schools recommend to their pupils and staff who feel unwell, that they get tested if:

1. They develop one or more of the **main coronavirus symptoms: a high temperature; a new, continuous cough; or the loss or change of their sense of taste or smell; or**
2. They are recommended to get tested by a healthcare provider (e.g. GP or nurse).

If a child is tested because they are unwell, they should stay off school until they receive a result. As in any year, as schools go back, children may pick up common colds or feel unwell with a sore throat, stomach upset or a headache. These children may need to stay off school and parents/carers should call their GP or dial 111 to seek medical advice if they are concerned about their child's health.

This advice is slightly different to earlier advice we sent out - which was the advice given back in August (so long ago now). This is the advice we will now follow.

- That's all from us this week. Have a great, safe and healthy week!
