

Hello and welcome to this week's newsletter. Welcome back to Bubble One. We have had another great week at Archbishop Hutton's this week.

attendance

This week's whole school attendance was - 97.5%

CONGRATULATIONS to **Class 2** who were this week's **AWESOME ATTENDERS** with **100%**

CONGRATULATIONS to **all classes** for **100%** punctuality, making them all **PUNCTUALITY SUPERSTARS**

learners of the week

	Learner of the Week	Writing Hero	Maths Hero
Class 1	Emma Richards	Bronson Pickup	Rupert Vereker
Class 2	Baylee Jackson	Amalie Robinson	Isabelle Halton
Class 3	Lily Roberts-Procter	Thomas Darwell	Phoebe Dowsett
Class 4	Seren Robinson	Katrina Wilkinson	Cole Evans

team points

	Crag	Hutton	Senset	Washington
ſ	722	797	1018	797

Well done to Senset this week

Thanks to everyone who brought in their pennies for **Children in Need**. We asked the children to bring in as many 1p and 2p coins as they could and add a splash of yellow to their uniform for the day. The day was a great success and we raised and amazing **£250** for Children in Need. Wow! Wow!

Schoolchildren become superheroes to raise money for their Carnforth school

Schoolchildren made a superhuman effort to raise money for new IT

We made the news!

Our heroic fundraising efforts on Super Hero, Super Run day have made the pages of the Lancaster Guardian.

The story can be seen in this week's newspaper and also features on their website. If you want to read the whole thing follow this link:

https://www.lancasterguardian.co.uk/educatio n/schoolchildren-become-superheroes-raisemoney-their-carnforth-school-3029984

Mayor's Art Competition

The Mayor of Lancaster is asking primary school age pupils from across the district to use their artistic flair - with the winner bagging themselves £100 in book vouchers to spend this Christmas. The competition is open to children between the ages of 4 and 11 and asks them to design a poster featuring the main preventative measures for reducing the spread of the coronavirus.

Designs should be on a piece of A4 paper and use strong colours which show up well. They can include single or multiple messages and examples include:

- Wash your hands regularly for 20 seconds
- Make space for others
- Use a face covering when indoors
- Avoid touching your eyes, nose and mouth

The winner's school will also receive £100 in book vouchers and two runners-up will receive £50 each. The winning design will be displayed on Lancaster City Council's website and social media channels, along with being made available for printing and display. To enter, send in a digital picture of the artwork by email, along with the child's name, age and address details, to mayor@lancaster.gov.uk. DON'T BRING IN TO SCHOOL!

The deadline for entries is November 28th and if you want to have a go - please make sure you retain the original artwork as it will be needed to turn into posters in the event that it wins.

PUPIL AREA VERIFICATION CODE - 111984

This term we will be pushing reading, spelling and times tables again – so please keep those up. Spelling tests are coming up in a couple of weeks.

Maths home learning will appear on a Thursday. Please do this as extra practise and mark it as you go. Don't forget to let the teachers know if you're struggling. You now have the **Maths Homework booklet**, explaining the different methods, we use in school to learn our Maths. It shows the various stages of learning to add, subtract, multiply and divide and how we teach it. You can use this book to help your child with home learning, but do not try to move them on using the booklet as they won't be ready for it, if they haven't yet learnt the methods in class.

On your child's class page is **Mr Pugh's Autumn Challenge**. These new challenges are worth **25 TP each**. Work can be brought into class at the end of the Christmas term for another Great Big Show and Tell or it can be uploaded onto the pupil area of the class website.

If we have to close a bubble because of coronavirus, we will use the website Pupil Area to keep in touch and set daily work for the class. This will be in a similar manner to the way work was set during the national lockdown period earlier in the

Lottery

The PTA have launched a lottery to raise funds and give players the chance to win prizes. Run by the national, Your School Lottery Company, tickets are £1 a week and as well as a chance of the jackpot. Visit **yourschoollottery.co.uk** to sign up.

Christmas Raffle

With the current Covid situation we are unable to have our usual Christmas Fayre. This is a disappointment to us all but the PTA have decided to run the raffle anyway. **On Friday 20th November the children can wear non-uniform for the day. In return for this the PTA have requested that they bring in one item of – chocolate, alcohol, bath/smellies or an unused (new) toy.** These will be put together into hampers and will be raffled. Tickets will go on sale during December and a live draw will take place on the PTA facebook page, during the last week of term.

Warton's Winter Wonderland

Pantomime

The PTA are funding a virtual school trip to Lancaster Grand's Pantomime on Thursday 17th December at 1pm. Beamed live from the theatre, each bubble will watch the show on the big screen, from the comfort of their classrooms. More details nearer the time.

With all of us spending more and more time online it is important that we think about being safe when we are using the computer, games console, phone or tablet.

This term's computing lessons are focussed on being safe online, spotting dangers and following the SMART rules. Copies of these simple rules can be found on the **new Be** *Smart on the Internet* class page on school website.

On Friday 27th November we will be holding our first **Be Smart on the Internet day.** Every class will take part in games, crafts and lessons to promote the rules. They will also take part in a **focussed session on Cyberbullying** – an important factor of life online. We are sure the day will be a great success and we look forward to sharing more with you after the event. In the meantime – have a look at the rules and tips on the new Smart on the Internet page.

Keeping Safe Coronavirus

Working together to keep Coronavirus out of school is really important to us. Doing so, will mean that the children can continue to benefit from their usual lessons and will mean that we can see an end to this as soon as possible.

In last week's newsletter, I asked parents to help us by sticking to the drop of and pick up routines suggested below. I want to thank you for following these guidelines. It has made everyone feel safer and shows that we are all working together and taking the advice seriously.

With this in mind, I'd like to remind you that when you drop of your children in the morning we need you to **drop and go**. There are enough adults to supervise the children when you leave them. We'd really like you to **make the effort to socially distance** as much as you can and if you are going to be near other people outside your family for some time, **please wear a face covering.**

Likewise, when you pick your children up in the afternoon, **please do not come too early and congregate outside the gates**. Come, pick up and leave. It isn't that we don't want to see you - it is just common sense during the current situation. As we are now in a national lockdown, this is especially important.

Many of the children in Bubble 3 have been appearing at school far too early and are hanging around in groups near the car park. None of the children in Bubble 2 or 3 should be here before 8:40. Getting here early is not helping Bubble One parents keep their distance and if it rains it means they will be very wet before they even get into the building.

Everyone has been fantastic so far and we are one of the few schools locally and nationally to have kept infection away for as long as we have. Thanks for everything you have been doing and let's keep it up - helping our children to stay safe and stay in school.

What do I do if I think we could have Coronavirus?

Here is our weekly reminder of the guidance about Covid19 and the symptoms. When should you keep your child home and seek a test? The advice given on the Department for Education website is this:

What symptoms should schools be looking out for? How can schools tell if a pupil has just a cold, or whether it might be coronavirus?

The Department for Education has worked closely with Public Health England (PHE) and NHS Test and Trace to ensure that we are doing all we can to minimise the potential risks of spread. A key part of this is recognising the correct symptoms.

We ask that schools recommend to their pupils and staff who feel unwell, that they get tested if:

- 1. They develop one or more of the main coronavirus symptoms: a high temperature; a new, continuous cough; or the loss or change of their sense of taste or smell; or
- 2. They are recommended to get tested by a healthcare provider (e.g. GP or nurse).

If a child is tested because they are unwell, they should stay off school until they receive a result. As in any year, as schools go back, children may pick up common colds or feel unwell with a sore throat, stomach upset or a headache. These children may need to stay off school and parents/carers should call their GP or dial 111 to seek medical advice if they are concerned about their child's health.

Reminders

- Swimming continues for Class 3 on Monday 9th November
- **PTA non-uniform day** Friday 20th November bring a raffle item
- Be Safe on the Internet Day Friday 27th November
- Christmas Dinner Tuesday 15th December
- Virtual Live Panto Thursday 17th December
- Please avoid bringing cars down to the school carpark during drop off and pick up times. There is the obvious danger to children and parents but also a lack of room in our already cramped carpark for staff parking and especially turning of cars.
- Check out the *Our School The Past*, gallery on the website. We have put up some photographs, documents and sections from the old log books some dating back as far as 1903. We hope you find these artefacts of interest.

That's all from us this week. Have a great, safe and healthy week!
