

# MR PUGH'S WINTER Home Learning CHALLENGE

Get out the paints, glue, scissors, felts, crayons and paper and create a winter scene. It could be snowmen in a field. It might be a wintry landscape. Maybe you could draw children playing, all wrapped up for the weather.

Make a wish tree: If you painted a bare winter tree you could cut out leaves and add them to the tree with new year's resolutions, wishes or kind thoughts written on them.

**Write about winter. Use one of these starter ideas below. Decorate your writing using some winter patterns and drawings.**

- My favorite thing about the winter
- Winter is unique because...
- If I could live anywhere in the world during the winter time, I would live in...
- The best thing to do on a snow day
- If I was in charge of making the best snow fort ever, I would \_\_\_\_.
- When it snows, I like to \_\_\_\_.
- When I look out the window during winter, I see \_\_\_\_.
- Trees in winter look like \_\_\_\_.
- What would it be like to be an animal that lived outside during the winter?
- Sledding down the tallest mountain in the world
- What if my snowman turned into frosty?
- My favorite winter sport
- The best kind of hot chocolate is

Why not use the BBC website weather and record the weather in Warton for a week or even a month?

You could record the temperature, the type of weather, how many hours of sunlight.

You could use the information to create a poster, you could write a report about the weather or make a groovy graph. You could even record a weather report video.

Winter sports are popular all over the world. Find out some information about these sports—SKIING, ICE SKATING, ICE HOCKEY, SKI JUMP, SLEDGING, SNOW BOARDING.

You could make a poster, information sheet or Powerpoint about the sport to encourage people to take part.

You could find out about famous sport stars who take part in winter games. Make Top Trumps.

Bring work to school or upload pictures, Power Points and Word docs to the Pupil Area of the website.

**SHOW AND TELL** in class on Thursday 11th February.

**A certificate** if you have a go and **25TP for each piece of work.**
